

WYOMING FOOD COALITION

WY Food Matters

ANNUAL CONFERENCE SPONSORSHIP

DATE: NOVEMBER 12-14, 2026

**LOCATION: AGRICULTURE RESOURCE AND LEARNING CENTER
2011 FAIRGROUNDS ROAD, CASPER, WY**

Strengthening local food networks & supporting Wyoming agriculture

The Wyoming Food Coalition's Annual Conference is returning for its eighth year. Our conference celebrates all things local food in Wyoming, and 2026 is no different. Our conference will be held in **Casper, Wyoming on November 12-15, 2026**; and it kicks off with a local-food catered Member Dinner on Thursday evening, two all-day educational tracks and a vendor/resource showcase on Friday, and agricultural tours on Saturday.

Conference presentations this year include a butchery workshop on carcass breakdown, advocacy training from Rocky Mountain Farmer's Union, a Food Safety Presentation from University of Wyoming's Family Consumer Sciences, Resources for Rural Resilience, and more. We always include **free childcare** and **locally catered meals and snacks during the conference**.

We are seeking **community and corporate support** to help us execute this event. Through this sponsorship, you'll be able to put your brand and materials in front of hundreds of attendees, participate in a showcase, and speak to and interact with our members. We anticipate 150 attendees from the local food space in Wyoming, which includes producers, agribusinesses, food freedom storefronts, distributors, food security partners, community college staff and faculty, and legislators.

Please review the attached details for benefits included at each level. We would love to have your support by **October 15, 2026** to ensure your logo is included in our marketing materials. Please reach out to **communications@wyfoodcoalition.org** with any questions or to confirm your sponsorship.
